Belrye and the Summoner

You figure a nice, tame start might be in order, so you ease yourself forward until your lips bump against hers. As hers part and your tongue slips past, you realize that you hadn't thought about just how big the lips on her muzzled face would actually be. You briefly think about what she would look like wearing lipstick on them, managing to stifle a laugh. Some human styles probably don't translate well to demons, and you are sure the reverse is also true. Maybe you will need to ask about that sometime.

That aside, though, you feel her tongue slide past your own lips as yours bumps into a couple of large, sharp teeth. You remind yourself that while she might look a lot like a goat, she is something else entirely. You also quickly discover that her tongue is quite a bit longer than yours, as it reaches far enough back to slightly set off your gag reflex.

"Mmm, a bit much for you?" Belrye parts from the kiss to ask, before running the tip of her tongue around your lips, "Don't worry, Summoner—I only bite if you want me to..." You feel a soft, furry arm around your back as she pulls you in for another kiss, yours wrapping around her as well.

For several minutes, the only sound are the wet smacks of making out with each other and the occasional moan or whimper of pleasure as your hands wander and start to explore. You are trying to take things slowly, though, and for her part, Belrye seems to be trying to match. You weren't sure what to expect, your first time with a lust demoness, but it feels like she wants to respect your boundaries.

As if reading your mind, she softly says, "Let me know if I'm taking things too fast, okay? I want you to feel comfy and safe with me, Summoner."

"Oh, you're not going too fast," you reply, "I'm just worried I'm going too slow and boring you."

"Nope, you're doing great! Besides, the better you feel, the better your lust tastes. Fear and nervousness make it kind of...sour?" Belrye appears to be struggling to describe the sensation.

Far too soon, she breaks the kiss and asks, “So, Summoner, it sounds like you’ve maybe never been in a relationship before. But there’s a whole wide world of ways to have one. Anything from a romance between two people, to more of a bondage thing, to the outright bizarre. What do you think you would like most? I promise I won’t judge or laugh at you, so you can tell me anything at all.” You feel a bit overwhelmed, between making out for the first time (with a whole new species, for that matter) and being asked the kinds of questions you had never needed to think about before.

You pause as you think for a moment. “Um. . . I guess I never really thought about it? I just want to find someone who’s into me. Like at this point I would take anyth—”

You are interrupted by Belrye giving your body a hard squeeze. “You’re love-starved, Summoner, just as much as I have spent my life lust-starved. We’re gonna get through it together. But let’s talk about it, if you have never thought about it before. I think I know just where to start, too. I’d like you to think back to stories you’ve read, movies you’ve watched, porn you’ve enjoyed, anything at all. Can you think about that for me?”

“Y-yeah,” you reply.

“Okay, this is the part that might be a little painful. Try to picture them in your head. What kinds of things made you feel a bit extra lonely? For that matter, what types of scenes or stories made you feel a little extra horny?”

You think for a moment. A story that caught your interest, a movie that made you feel an empty longing inside, various things scattered throughout your porn collection, a beautiful song whose lyrics you were certain had been written for you. . . You feel Belrye’s hand gently squeeze yours, reassuring you to take as long as you need.

You take a deep breath. Well, if you are going to open up about what you are into, you can’t really imagine anyone more receptive than a lust demoness, especially one who seems so reassuring. Besides, you can’t imagine ever getting another opportunity like this one, and you would kick yourself for the rest of your life if you let it slip by. You give Belrye’s warm, furry body a final, firm hug as you finish psyching yourself up, feeling her tighten her arms around you in return.

If you’re being honest, you are into. . .
