# Disclaimer

This story is a work of fiction. Any resemblance to actual people/places/events is entirely coincidental. Also, this story contains acts which should not be attempted in real life and does not constitute advice, suggestion, instruction, etc.

This story contains material suitable for adults and should not be read by anyone who is under 18 or for whom it is illegal to view adult and/or sexual material.

# Belrye and the Summoner

“Actually, why don’t you take charge?”

“W-wait, *me* take charge?” Belrye asks, surprised.

“Yeah! I mean, even if neither of us has done this before, I’m really curious what a lust demon would do, y’know?”

“Um...okay, I can do that!” He thinks for a moment, then continues, “Of course, there are a whole lot of different things that could mean, and I don’t want to get carried away and go too far, summoner...” His tone seems to be quickly shifting from nervous to seductive. “After all, you don’t know aaannnyyy of the things I’m into yet.”

You feel his hands reach down and roll you away from him, followed by the sensation of his soft, furry breasts against your back. “And if you give a demon control...” he continues, his fingers wrapping around your quickly hardening cock and starting to teasingly stroke it, “who *knows* what he would do to you. Maybe he would turn you into something weird, twisting and reshaping you to fit all of *his* kinks. Or maybe he would use you as a cocksleeve night after night, making it a little bigger each time. Or maybe...” You start to wonder if this is the same shy, sweet demon you were just talking to a moment ago. “Maybe I would let you pick your changes, and I would pick my own.”

“In fact, summoner, changing the body is only one thing I can do. If you give your permission, then your mind can slowly be reshaped, too. Maybe I would make you cum every time I snap my fingers,” he snaps his fingers beside your head, continuing to stroke your dick with his other hand. “Perhaps I would slowly chip away at your inhibitions, or rewire you to get off from worshipping my hooves.”

His tone shifts again, to an almost fatherly one this time. “But the most important thing, summoner, is where *you* draw the line. Maybe some of that sounded good to you, or maybe none of it did. It could even be that you have some ideas you would love for me to help you explore. For example, perhaps you’ve always wanted a daddy to take good care of you. Or...” he lowers his

voice to a growl as he continues, “maybe you’d love to be a summoner who lost control of their demon, and needs to suffer the consequences!”

“I-it’s, uh, kinda scary how quickly you can shift between things like that,” you nervously say over your shoulder.

“Sorry summoner, but I just really want to make sure you know what to be ready for when you let a demon like me be in charge. I can’t tell you how much time I’ve spent with no other outlet than masturbating and thinking about what I’d do if I was ever summoned. What’s the saying? Something about opening water gates?”

“Oh, ‘opening the floodgates’ is what you mean.”

“Yeah, that! So, uh, I guess I just want to make sure that you only open the floodgates as far as you’re ready for, summoner. But, uh, from how hard you are...” he gives your cock a squeeze, “I get the feeling you have a pretty good idea how wide you want those floodgates opened already?”

While your head is still spinning a bit from the roller coaster of the past few minutes, Belrye was right about one thing: you can feel your cock throbbing in his hand. He goes back to stroking, a tiny bit harder, as he lets you think. You also feel his lips on your neck, as the demon gives it a kiss. You’re not sure whether he is trying to sway your decision, is just as aroused and needy as you are, or both.

A voice in the back of your mind tells you that this is a terrible idea. Not only could you find yourself dragged, kicking and screaming, off to Hell, but who knows what that would mean for the order, the city, or even the world? Besides, didn’t he *just* get done warning you about all of the things he could do to you? The right thing to do, here, would be to stay control of the situation.

On the other hand, aren’t you here because humanity had no use for you, in the first place? Aren’t you alone because no humans seemed interested in dating you? What do you really owe them? Besides, if Belrye had any bad intentions, you doubt he would be giving you all of these warnings. He’s already told you more about what to expect than your introduction and partial instruction book had.

Making up your mind, you decide...
